SUPPLEMENTARY INFORMATION

I. Background:

The Office of Workers' Compensation Programs administers the Federal Employees' Compensation Act, which provides for continuation of pay or compensation for work related injuries or disease that resulted from Federal employment. Under 5 U.S.C. 8133 of the Act, eligible survivors of deceased employees receive compensation benefits on account of the employee's death. OWCP has to monitor death benefits for current marital status, potential for dual benefits, and other criteria for qualifying as a beneficiary under the law. Under 5 U.S.C. 8149, the Secretary of Labor may prescribe rules and regulations necessary for the administration and enforcement of this subchapter. Under CFR 10.414, the CA-12 is sent annually to beneficiaries in death cases to verify that their marital and/or beneficiary status has not changed to remain entitled to benefits.

II. Desired Focus of Comments

OWCP is soliciting comments concerning the proposed collection related to the Claim for Continuance of Compensation, CA-12. OWCP is particularly interested in comments that:

- Evaluate whether the collection of information is necessary for the proper performance of the functions of the Agency, including whether the information has practical utility;
- Evaluate the accuracy of OWCP/DFELHWC's estimate of the burden related to the information collection, including the validity of the methodology and assumptions used in the estimate;
- Suggest methods to enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the information collection on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.
